

New Circuit Assignments for Pastors – Listed by Circuits Updated 3/5/2018

The LCMS Northern Illinois District's ordained church workers are listed here with their current place of service and tentative circuit-region that would take effect **June 1, 2018**. Ordained workers are provided Pastoral Conference information based on their circuit's region.

(The pastor's circuit-region is usually the same as their present place of service, or, if not serving, then for the home congregation or home address the district has on file. Pastors showing "0" for circuit are in office records as being out of state. Email office@nidlcms.org if something does not seem right in circuit assignment shown below.)
