The Lutheran Church—Missouri Synod

April 2020 Weekly Prayers

We lift up our congregations' prayer requests:

**Prayer for the week of April 5, 2020:** St. Paul Lutheran Church, Mount Prospect - God's blessings on the congregation during the pastoral leadership transition, and on Pastor Bo Graham serving as the sole pastor until a second pastor is called.

**Prayer for the week of April 12, 2020:** Christ Our Savior Lutheran Church, Dixon - We pray that God would bless Christ Lutheran School through difficult times and that members would be missionaries reaching out in their community.

**Prayer for the week of April 19, 2020:** Redeemer Lutheran Church, Waukegan - We pray for God's blessings on the effort to reinstate the program "Cops & Clergy" to help address issues in the community.

**Prayer for the week of April 26, 2020:** Bethany Lutheran Church, Naperville - We ask that God grant discernment of His will through their mission clarity process.
