If you know a RN who may be interested in becoming a parish nurse, invite them to “come and see”. No charge for their first meeting.

If you are retired from parish nursing, please do not stop attending the gatherings. You are valuable as a source of encouragement to others as you share your journey.

If you are still serving, your presence helps mentor new parish nurses, encourages parish nurses presently serving, and is benefited by the prayers of our retired friends and colleagues.

If you have questions, please contact a member of the education committee for 2019: Pat Braun (Continuing Education applications), Maggie Niemi (FB announcements), Pat Couch (communications), and Marcy Schnorr (program scheduler)
