

**THE GLOBAL
LEADERSHIP SUMMIT**

August 8-9, 2019 | GlobalLeadership.org/Summit

Everyone has influence.

More than an event, the Summit is a catalyst for change that inspires and equips world-class leadership to ignite organizational and community transformation.

➤ Summit Values:

WORLD-CLASS, ACCESSIBLE & AFFORDABLE

Each faculty member is carefully selected to deliver intellectually rigorous content in an environment that fosters vigorous thinking and dialogue. Hosted in more than 1,400 cities worldwide, the Summit is both accessible and affordable, facilitating large team participation and transformation.

EVERYONE'S LEADERSHIP MATTERS

Everyone has influence and the ability to positively impact their community and world. No matter your sphere of influence—in the family, school, work or church—when you commit to grow your leadership, everyone around you wins!

UNAPOLOGETICALLY CHRIST-CENTERED

In the beginning, the Summit was exclusively church-focused. Today, the Summit attracts Christians from every walk of life. A culture of Christ-centered leadership can change our homes, organizations, communities and world!

LOCAL OWNERSHIP, GLOBAL REACH

Host Sites—including churches and many other kinds of organizations—are uniquely equipped to impact the communities they serve. Whether in a suburb of Los Angeles or a village in Vietnam, local attendees are challenged to improve their leadership and adapt the learnings within their cultural context.

"The GLS inspires me to lead with a purpose bigger than myself. It is truly the highlight of my summer. We bring leaders from our organization each year, and it's a true gift to our organization to be able to offer world-class leadership training at a reasonable price."
