

NID Parish Nurse Network Education Schedule-2020

***Therefore encourage one another and build one another up,
just as you are doing. 1 Thessalonians 5:11***

Note: Any parish nurse within the NID who has never attended a gathering of NID Parish Nurses or any RN who is a member of a congregation within the NID-LCMS who is interested in learning more about parish nursing is welcome to attend their first gathering at no charge.

Please note that refunds are not provided if you are unable to attend. Preparations have been made based on registration. Any funds that may remain are added to either the "Bethlehem Fund" to support our parish nurse colleague in Bethlehem's biannual visit to the USA or added to the scholarship fund to help new parish nurses with the education course.

Please note suggested invitations at all gatherings. Sorry, we cannot offer reduced rates, but perhaps you have funds in your congregation to cover the cost. Sharing the word about parish nursing and mutual interests may provide added interest and support for your ministry within the congregation.
